Thank you for your interest in becoming an adult volunteer with Camp fYrefly-Saskatchewan!

**Applications for Adult Volunteers are due April 30, 2020. At this time, we are still taking in General Adult Volunteer applications. We are currently exploring online workshops and a later camp date. If you would like to assist us for an online camp, or if you may be able to help us out for a postponed camp, please still apply!**

Volunteers serve a special role at Camp fYrefly. Acting as a resource for the Adult and Youth Leaders and campers, adult volunteers help to enhance the Camp fYrefly experience and serve to open up spaces for informal education and intergenerational role modeling.

Given the nature of this role, we ask that you clearly outline your availability and desired role during the camp, and commit to being present at camp during these times. As well, you may be required to attend a brief orientation prior to camp. **As a volunteer for our online camp, your availability is still necessary so we have a better idea of where you may be able to help out. You may be asked to join in on a brief online/phone-in orientation prior to our workshops. The tentative date for our opening online workshop is July 23, 2020.**

To participate at Camp fYrefly as an Adult Volunteer, you must be at least 25 years of age, though there are exceptions. It is also preferred, though not required, that you have previously been involved with youth mentoring or leadership development in some capacity. All volunteers will be screened, selected, oriented, and supervised by the Volunteer Coordinator and Camp Coordinator. Volunteer selection is based on the needs of the camp and in the best interest of our youth campers and youth leaders. **The same is true for our online programming, but we would determine which online workshops would work best for your schedule. There may be other tasks that we need help on, such as monitoring social pod chat groups.**

All Adult Volunteers are required to complete media, personal health information, and volunteer agreement forms prior to attending Camp fYrefly. These forms will be sent to you, along with a copy of any Camp fYrefly rules and regulations once your participation has been confirmed.

In addition to these forms, all Adult Volunteers will be required to provide a **Criminal Record Check and Vulnerable Sector Search Check** before the start of camp. Camp fYrefly will reimburse you for this cost, provided that you keep all original receipts to submit for reimbursement. If you are required to have a fingerprint check, the check may take some additional time, so it is extremely important that you receive your criminal record check as soon as possible.

**Please complete the attached Volunteer Application Form and submit it by April 30, 2020.**
